TABLE OF CONTENTS FOR POST-HEARING BRIEF OF PARTY-IN-INTEREST  
INTERNATIONAL LONGSHOREMEN'S ASSOCIATION, LOCAL 1969

FACTS .....	2
ARGUMENT .....	6
I.    The parties' respective CBAs and the agreement between Local 1969 and Local 150 require an award of the Material Handler work to Local 1969 .....	6
A.    The Collective Bargaining Agreement between Local 1969 and Jack Gray covers the Material Handler .....	7
B.    The Collective Bargaining Agreement between Local 150 and Jack Gray in effect at the time this dispute arose covers only Manitowoc cranes .....	8
C.    The "new" collective bargaining agreement between Local 150 and Jack Gray negotiated after the charge was filed amounts to a self-serving attempt to create support for Local 150's position in this case .....	10
D.    For three decades Local 1969 and Local 150 have abided by an agreement that Local 150 will operate Manitowocs and	

Local 1969 will operate every other machine at Jack Gray .....	11
II. Jack Gray’s preference and practice favor an award to Local 1969; Jack Gray only changed its preference and assignment as a result of Local 150’s unlawful threats of work stoppages .....	12
A. Jack Gray preferred to have Local 1969 members operate the Material Handler until Local 150 threatened it with an unlawful strike .....	12
B. Jack Gray’s past practice has been for Local 1969 to operate every machine except the Manitowoc .....	14
C. Jack Gray’s first assignment of Material Handler work was ordering a 1969 mechanic to fix the Material Handler in February, 2016 .....	14
III. An award of the operation of the Material Handler to operators represented by Local 1969 would be in line with the area and general industry practice of longshoremen operating machinery used in stevedore operations .....	16
A. The industry practice is to use longshoremen to load or unload barges, ships, and other vessels, regardless of the equipment utilized .....	17
IV. Local 1969 represents skilled operators who are qualified to operate the Material Handler and those operators are the most economic and efficient choice for Jack Gray .....	18
A. Local 1969 represents longshoremen who are qualified to operate the Material Handler based on their decades of experience and hands-on training .....	18
B. Local 1969 operators can be hired at a lower cost to Jack Gray, and can relieve each other to ensure efficiency of Operations .....	19
V. The loss of the operation of the Material Handler on Jack Gray’s waterfront would be a significant loss of employment for the longshoremen represented by Local 1969, in contrast to the minimal gain that Local 150 would achieve for its 23,500 members .....	20
CONCLUSION .....	23
